Player	#	Shots	FT	F	RB	Comment
Alex	5	5 of 11 10 pts `	1-4 1 pt	0	10	INCREDIBLE performance young man. If we can get 3 playing like you every game.. We will be unstoppable the rest of the year.
Brandon	11	1 of 5 2 pts	x	x	6	You have to get to the basket.. Get to the free throw line and take care of the ball passing and dribbling. Way to crash them boards and block shots
Brody	3	1 of 5 2 pts	0 of 2	x	4	You have the green light to shoot. Just protect the ball better. You have to recognize what team you can put the ball on the floor with and what team you just have to square up and take the shot. Love the Hustle
Evan	2	0 of 3	X	1	4	SEE The Entire floor.. If you want to be in charge and recognize that ball belongs to the Cobras the longer we have it is a good thing. Keep being aggressive
Jackson	12	x	X		x	DNP
Kaiden	1	0 for 1	X	x	1	Little man you have to protect our ball. And you have to see the open man. An assist is just as good as scoring.
Liam	4	1 for 10 2 pts	1 of 2 1 pt	x	4	Keep Shooting .. Take it up strong. Know in your mind you are a POWER FORWARD with a shooters touch.. Great job

I believe in you, I believe in our team. Go Cobra Nation
