Player	#	Shots	FT	F	RB	Comment
Alex	5	Did Play				
Brandon	11	1 of 6 2 pts	0-2	4	8	Solid game, take your time on your shots. We need you in the game, control your fouling and continue playing solid defense . I need a floor leader. Have to get to the basket and to the foul line .
Brody	3	3 of 5 6 pts	X	x	3	Solid game, have to take more shots, have to be more aggressive on offense. Passing must be more accurate. The closer to the goal easier to score. Have to get to the basket and to the foul line .
Evan	2	1 of 4 2 pts	X	3	10	Very solid game, Little big Man hit those boards, aggressive on defense. Have to get to the basket and to the foul line .
Jackson	12	0 – 3	X		9	Handle your position great. Take your time when you rebound and get it out to a ball handler . Remember don't move pass.
Kaiden	1	1 of 2 2 pts	X	X	3	I like your aggressive play. But you have to go at a pace under control.. And you will be a force to be recon with. Fearless . You have the green light but you can't get a ticket.
Liam	4	0 for 4	x	x	12	Solid game, keep shooting it will fall. Excellent job on the boards and defense.

Things We need to do:

Offense

1. Attack the basket more
2. See the open man when being doubled team
3. Take our time on shots under basket.
4. Take care of the ball with passing
5. Set up in your offense pass/move
6. Control unforced turnovers

Things We need to do:

Defense

1. Protect the basket
2. Put a hand in shooters face
3. Continue to control the boards
4. Take care of the ball with passing
5. Learn Man-to-Man defense
6. We have to capitalize on our steals
