Alex	5	2 of 10 4 pts`	0-5	1	1	I like they way you are being aggressive taking the ball to the hoop. Just need to take your time on the finish. Great Job
Brandon	11	1 of 4 3 pts	x	x	10	You have to go to the basket more to get to the foul line. Get open ask your team mates for the ball. On Defense you have to be there when the initial defense is broken.. To many made lay-ups on us. To many turnovers (4)
Brody	3	3 of 6 6 pts	3 of 4 3 pts	x	3	I see you implementing what we learn at practice. Great game offensively.. Don't give up to easy on defense. But I saw you working Hard. Keep being aggressive. Solid Game.
Evan	2	1 of 5 2 pts	X	2	5	We have to advance the ball faster. Dribble to get out of the trap not into the trap.. Pass the ball then go get it back... Great Job on the Boards . I like your aggressiveness.
Jackson	12	x	X		x	DNP
Kaiden	1	x	X	1	1	Stay aggressive but under Control.. Keep your dribble and pass before you get trapped. We have to look up the floor and understand or strengths and weakness . Way to give it your all on defense.
Liam	4	1 for 14	x	x	8	Keep Shooting .. All were good shots just put more behind them. Great job on the boards

I believe in you, I believe in our team. Go Cobra Nation
